

Erasmus+ Internship in Rome-Italy at Giovani nel Mondo

Who we are: [The Giovani nel Mondo Association](#) is an independent, non-profit, non-denominational, and apolitical organization. The Association pursues educational and cultural goals at the national and international level.

What we do: One of the many ways through which we attend our goals is the promotion and organization of the [International Careers Festival](#), one of the biggest International events that sees hundreds of international students from all around the world gathering together to improve their educational path and skills in a challenging and stimulating way.

Description of the internship: In order to help and introduce students to this international career framework we are always looking for new people to join our team. The Erasmus+ Internship programme offers the perfect opportunity both for the student who would like to undertake a working experience in Italy and for us to help them grow in their international path. The intern will work in the ICF international relations team in order to deal with our partners such as universities, MUN club, international organizations and in order to follow the admission and registration procedures of the international applicants for the ICF 2020.

Timeframe: The internship with us will take place between September 2019 and March 2020 (exact duration and time to define according to the intern availability) and the student will be an active part in the organization and management of the International Career Festival.

How to apply: send your CV at info@internationalcareersfestival.org by July 10th 2019.
