

Announcement of the Chancellor of Pedagogical University of Krakow

28th February 2020

RECOMMENDATIONS FOR THE DISPOSAL OF THE CORONAVIRUS SARS-CoV-2

I would like to inform that the Pedagogical University of Krakow follows the guidelines of the Chief Sanitary Inspector and tries to prevent SARS-CoV-2 coronavirus infections by taking the following actions:

1. the frequency of cleaning and disinfection of sanitary and hygienic premises is increased;
2. bathrooms are equipped with soaps with antibacterial parameters.

Furthermore, it is recommended:

1. do not use hand dryers;
2. in points of direct service for employees, students and other interested parties, try to keep a safe distance, at least 1 meter.

If you notice the following symptoms:

- fever,
- breathlessness,
- coughing,
- respiratory problems

YOU SHOULD IMMEDIATELY NOTIFY THE SANITARY AND EPIDEMIOLOGICAL STATION BY PHONE OR REPORT DIRECTLY TO THE INFECTIOUS DISEASES OR OBSERVATION AND INFECTION WARD

Regional Sanitary and Epidemiological Station in Cracow,

tel: 12 25 49 555

The National Health Fund's hotline on how to deal with a suspected coronavirus infection,
