

Announcement of the authorities of the Pedagogical University of Krakow
regarding the SARS-CoV-2 virus circulation.

27th February 2020

In view of the evolution of the epidemic phenomenon linked to the spread of the SARS-CoV-2 coronavirus infection, in agreement with the Ministry of Foreign Affairs and General Health Inspectorate, the following is provided in order to reduce the possibility of infection and facilitate students who have difficulty in moving around:

- suspension of all outgoing trips of students, PhD candidates and employees of the PUK to endangered areas;*
- suspension of all incoming visits of students, PhD candidates and other employees from the endangered areas;*

The list of endangered areas is published by the World Health Organization (WHO), please check: <https://www.ecdc.europa.eu/en/areas-presumed-community-transmission-2019-ncov>

We also communicate that the University's other activities continue regularly and that all offices and facilities remain open according to scheduled times.
