

## University of Klagenfurt Technology Scholarships

<p><b>General information</b></p>	<p>The <b>positive development of the regional labour market in the sector of Information and Communications Technology (ICT)</b> has resulted in an <b>increasing demand</b> for skilled professionals. The University of Klagenfurt is responding to this demand by training <b>highly qualified specialists in the ICT sector</b> and awarding the <b>University of Klagenfurt Technology Scholarships</b>, which aim at</p> <ul style="list-style-type: none"> <li>- increasing the number of highly qualified ICT professionals,</li> <li>- enhancing diversity in the Federal State of Carinthia and at the University of Klagenfurt,</li> <li>- increasing the number of international students at the University of Klagenfurt, and</li> <li>- promoting the University of Klagenfurt's internationalization efforts.</li> </ul> <p>In <b>cooperation with the Carinthian Chamber of Commerce (WKO) and Federation of Austrian Industries (IV)</b>, scholarship holders will be supported in finding a <b>paid internship</b> in the <b>first year of their Master's degree programme</b>. Scholarship holders shall be enabled to finance the second year of their Master's degree programme with a paid internship, which is also part of the curriculum.</p> <p>Based on an agreement with the University of Klagenfurt, the <b>Austrian Agency for International Cooperation in Education and Research - OeAD</b> has published the call for applications and will accompany the selection process, award the scholarships and offer its services to the selected scholarship holders before and during their stay in Austria.</p>
<p><b>Target group</b></p>	<p>Students who</p> <ul style="list-style-type: none"> <li>- want to pursue one of the following Master's degree programmes at the University of Klagenfurt: <ul style="list-style-type: none"> <li>• <u>Master in Mathematics</u></li> <li>• <u>Master in Game Studies and Engineering</u></li> <li>• <u>Master in Informatics</u></li> <li>• <u>Master in Information Management</u></li> <li>• <u>Master in Information and Communications Engineering (ICE):</u> <ul style="list-style-type: none"> <li>- <u>Branch of Study Autonomous Systems and Robotics</u></li> <li>- <u>Branch of Study Networks and Communications</u></li> <li>- <u>Branch of Study Business Engineering</u></li> </ul> </li> </ul> </li> <li>- have <b>completed a Bachelor's degree</b> relevant for one of the Master's degree programmes listed above in one of the listed countries/regions of origin,</li> <li>- can prove <b>very good English language skills</b> (depending on the desired study programme <u>B2 or C1, Common European Framework of Reference for Languages – CEFR</u>) and</li> <li>- are <b>not resident in Austria</b> at the time of application</li> </ul>
