

## Institute of Pedagogy

Winter semester:

### Module I: Pre-School and Early School Education

<a href="#">Comparative Education</a>	30 ECTS
<a href="#">Education for Sustainable Development</a>	
<a href="#">Creativity as a way of self-education</a>	
<a href="#">Music and children</a>	
<a href="#">Principles of Montessori Education</a>	

### Module II: Pre-School and Early School Education

<a href="#">Diversity: identity, migration and education</a>	30 ECTS
<a href="#">Interpersonal communication</a>	
<a href="#">Creativity in the classroom</a>	
<a href="#">Creative writing for personal development</a>	
<a href="#">Women's penitentiary isolation in the context of the situation and support measures for their pre-school and school-age children</a>	

**Summer semester:**

**Module I: Pre-School and Early School Education**

<a href="#"><u>Comparative Education</u></a>	30 ECTS
<a href="#"><u>Education for Sustainable Development</u></a>	
<a href="#"><u>Creativity as a way of self-education</u></a>	
<a href="#"><u>E. J. Dalcroze's Pedagogic of Rhythm and Movement</u></a>	
<a href="#"><u>Principles of Montessori Education</u></a>	

**Module II: Pre-School and Early School Education**

<a href="#"><u>Diversity: identity, migration and education</u></a>	30 ECTS
<a href="#"><u>Interpersonal communication</u></a>	
<a href="#"><u>Creativity in the classroom</u></a>	
<a href="#"><u>Creative writing for personal development</u></a>	
<a href="#"><u>Women's penitentiary isolation in the context of the situation and support measures for their pre-school and school-age children</u></a>	

## Course card

Course title	<b>Comparative Education</b>		
Semester (winter/summer)	Winter/ Summer	ECTS	6
Lecturer(s)	Anna Włoch, Ph D.		
Department	Institute of Pedagogy		

### Course objectives (learning outcomes)

The aim of the course is to acquaint students with the main problems of Comparative Education in Europe, such as the Bologna Process, Teacher Training, Early Childhood Education and Care, EU Educational Policy.

As a result, conducted the course students should have knowledge of European Education systems (similarities and differences).

An additional result of the course the students will understand the key problems of Education in European countries and will be able to indicate the best European educational practices

### Prerequisites

Knowledge	History of Education
Skills	Not required
Courses completed	Not required

Course organization								
Form of classes	W (Lecture)	Group type						
		A (large group)	K (small group)	L (Lab)	S (Seminar)	P (Project)	E (Exam)	
Contact hours			15 (15 – individual work)					

### Teaching methods:

Lecture, discussion, group project (presentation).

Assessment methods:

E – learning	Didactic games	Classes in schools	Field classes	Laboratory tasks	Individual project	Group project	Discussion participation	Students presentation	Written assignment (essay)	Oral exam	Written exam	Other
					X	X	X	X				

Assessment criteria	Class participation (50%) and a positive evaluation of the group/ individual project (50%).
---------------------	---

Comments	Student receives 5 ECTS, optionally – 6 ECTS for an individual work (presentation)
----------	--

Course content (topic list)

1. Comparative Education - introduction. Leading scholars of comparative education and their achievements.
2. Polish educational system.
3. Early Childhood Education and Care in Europe.
4. Teacher training and challenges in teacher education in Europe.
5. The Bologna Process and Higher Education Area.
6. The Idea of European Education - EU educational policy.
7. Individual or group presentations.

## Course card

Course title	<b>Creative writing for personal development</b>		
Semester (winter/summer)	Winter / Summer semester	ECTS	6
Lecturer(s)	Dr Marta Krupska		
Department	Institute of Pedagogy		

### Course objectives (learning outcomes)

The main purpose of class is to take the closer look at pedagogical and therapeutical values of different form of educational activities with the use of creative writing methods. The centre of attention will be focused on some important aspects of personal narrative writing, autobiographical writing as a pedagogy of memory, expressive writing as a valuable pedagogical tool in the work with youth at risk, community writing as a valuable pedagogical, social and therapeutical instrument in the process of building of deep connection in the community and discovering the meaning of togetherness. The course is intended to support a person working with people with disabilities and with the experience of suffering and various forms of social stigmatization.
